

Mr. Colby:

1. Mr. Tweedy buzzed to say that the Director is hosting a luncheon for Mr. Weinberger at 12:30 on Wednesday, 21 June, to be followed by a briefing. (The whole thing will last about two hours.) The briefing will cover both the community and CIA. Mr. Tweedy is suggesting DCI, Weinberger, Colby, Mr. Dam, John Clarke, Mr. Tweedy, perhaps the DDCI, and, if you think desirable, Chuck Briggs as the luncheon group. I asked if you would be expected to do some of the briefing, and he said he would talk to you about that. Please buzz him when you have a moment.

2. [] called to say he has received several calls as a result of your two memoranda on the new E.O. DD/P has sent out an internal notification, DD/I is going to do so, and DD/S already had something prepared and ready to send out. He hasn't heard from DD/S&T (there's no one there to hear from!) -- anyway, he said everything seems to be running along fine.
